

# Perfectly Balanced

**New FirmaSoft** for easy installation and performance

New FirmaSoft wall and ceiling insulation batts are perfectly balanced – soft and comfortable to handle, with a firm fit for easy installation and superior thermal and acoustic performance.

- Soft to handle
- Stay firmly in place
- Low dust formula
- Made in Australia
- Up to 80% recycled content
- Non-combustible

# New FirmaSoft insulation batts, by Fletcher Insulation, have been designed and manufactured to combine the perfect balance between softness and firmness.

They are soft to handle, yet fit firm in place, ensuring installation is a breeze, while providing maximum long-term performance.

Manufactured in Australia using a new low dust formula and up to 80% recycled content, **FirmaSoft** batts will help improve the energy efficiency and comfort within the home. And you'll have peace of mind knowing they come with a lifetime performance warranty.

**FirmaSoft** is ideal for DIY and builders, making insulating a home easier than ever before.

Firm fitting for superior performance

Soft for easy handling
